Description

Welcome to Rocco Sculptures, a leader in marble and stone craftsmanship since 1947. Our decades-long commitment to using the finest materials, coupled with a blend of experience and innovation, results in exclusive and perfect creations. In recent years, we've expanded our reach globally, specializing in exporting bespoke works. From design to construction and transportation, we oversee every detail to ensure a seamless project from start to finish. At Rocco Sculptures, we craft custom marble and stone sculptures, artworks, and interior decors in collaboration with diverse artists. Our comprehensive services extend to providing materials and machinery as needed, making us your trusted partner for creating timeless masterpieces.
