The Alachua County Arts Council (“the Committee”) invites artists or artist teams to respond to this Call to Artists for an indoor Court Services mural installation for the new Court Services building.

Background

The mission of the County public arts program is “to enhance the quality of the visual environment in Alachua County, thereby adding to the quality of life and the level of citizen awareness of the importance of aesthetic experience in their everyday lives.” The mission of Alachua County Court Services is “To promote justice, fairness, and equity while preserving public safety.” Their Vision Statement is “We strive to remain professional, transparent, and responsive to our criminal justice partners and community stakeholders.” The mural will be installed in coordination with the construction of the new Court Services building. The construction should be complete in the spring of 2025. The mural will be approximately 24’ high x 25’ wide and 18’ wide (due to the doorway).
