Artwork timeline

Permanent

[NeuroBehavioral Hospitals](#), a voluntary inpatient mental healthcare hospital developed by [Wellpath](#), seeks an artist to design and paint a mural on the new Neurobehavioral Hospital of the Palm Beaches in Boynton Beach, Florida. NB Hospitals prefers an artist with professional or personal experience with mental health services – either directly or indirectly.

SCOPE OF WORK

- Develop alternative design proposals leading to a final design accepted by NB Hospitals and approved by the Boynton Beach Art Advisory Board.
- Prepare a final design as a painting or drawing that can be displayed at NB Hospitals.
- Paint the mural on the building with appropriate paint highly resistant to ultraviolet sunlight and apply a finish coat for additional UV and wind protection. (Not anti-graffiti coating)

PHYSICAL QUALITIES OF THE WALL

- The full mural area is approximately 60 feet long by 20 feet tall for a total of 1,200 square feet.
- The building is a concrete block with painted stucco. NB Hospitals will pressure wash the surface and repair any issues.
- The mural will be painted on the 3rd and 4th floors of the northwest façade.

ARTISTIC OBJECTIVES

- This design should focus on imagery/flow that represents the core attributes of NB Hospitals and speaks to mental healthcare to provide patients, staff, and stakeholders with a positive emotion/connection as they enter the hospital grounds.
- The artwork should be designed for the appreciation entrance, street, and neighborhood. The distance is 150 to 400 feet.

NEUROBEHAVIORAL HOSPITALS MISSION, VISION, AND CORE ATTRIBUTES

- Mission: To bring life-changing, restorative healing to those affected by psychiatric illness by improving the way mental health care is provided.
